

## OPERATIONAL BLUEPRINT FOR SCHOOL REENTRY 2020-21

Under ODE’s **Ready Schools, Safe Learners** guidance, each school<sup>1</sup> has been directed to submit a plan to the district<sup>2</sup> in order to provide on-site and/or hybrid instruction. Districts must submit each school’s plan to the local school board and make the plans available to the public. This form is to be used to document a district’s, school’s or program’s plan to ensure students can return for the 2020-21 school year, in some form, in accordance with Executive Order 20-25(10). Schools must use the [Ready Schools, Safe Learners guidance](#) document as they complete their Operational Blueprint for Reentry. ODE recommends plan development be inclusive of but not limited to school-based administrators, teachers and staff, health and nursing staff, association leadership, nutrition services, transportation services, tribal consultation<sup>3</sup> and others for purposes of providing expertise, practical information-sharing and carrying out plan implementation.

2. Please list efforts you have made to engage your community (public health information sharing, taking feedback on planning, etc.) in preparing for school in 2020-21. Include information on engagement with communities often underserved and marginalized and those communities disproportionately impacted by COVID-19.

With a desire to support the diverse needs of students, families, and employees in the Newberg school district, equity has been our main focus. All families within the Newberg School District have been surveyed regarding the challenges and successes related to Distance Learning for All and their preferences and comfort level for both in-person and distance learning for the 2020-21 school year. This information along with data related to

<sup>1</sup> For the purposes of this guidance: “school” refers to all public schools, including public charter schools, public virtual charter schools, alternative education programs, private schools and the Oregon School for the Deaf. For ease of readability, “school” will be used inclusively to reference all of these settings.

<sup>2</sup> For the purposes of this guidance: “district” refers to a school district, education service district, public charter school sponsoring district, virtual public charter school sponsoring district, state sponsored public charter school, alternative education programs, private schools, and the Oregon School for the Deaf.

<sup>3</sup> Tribal Consultation is a separate process from stakeholder engagement; consultation recognizes and affirms tribal rights of self-government and tribal sovereignty, and mandates state government to work with American Indian nations on a [government-to-government](#) basis.

student engagement and success will be used to identify focal communities of students in need of targeted support.

Our staff is dedicated to placing our focal communities at the center of our planning for 2020-21 school year. Across our district, our focal students will have preference to in-person learning. Students with disabilities, emerging bilingual students and those identified as “at-risk” will have access to 4 days a week in-person learning. Remaining students will have access to a hybrid model of in-person and distance learning with full-time distance learning being available for students at the request of families.

Among students in the Newberg School District,

- 32% access free and reduced lunch
- 13% identify as students of color
- 14% experience special needs
- 3% require accommodations from a 504 Plan
- 2% are emerging bilingual students

3. Indicate which instructional model will be used. This does not apply if you are an online school or virtual public charter school and had a virtual online instructional model already in place pre-COVID-19.

Select One:

- On-Site Learning     Hybrid Learning     Comprehensive Distance Learning

4. If you selected Comprehensive Distance Learning, you only have to fill out the green portion of the Operational Blueprint for Reentry (i.e., page 2 in the initial template).
5. If you selected On-Site Learning or Hybrid Learning, you have to fill out the blue portion of the Operational Blueprint for Reentry (i.e., pages 3-14 in the initial template) and [submit online](https://app.smartsheet.com/b/form/a4dedb5185d94966b1dff75e4874c8a). ## 2. Facilities and School Operations

Some activities and areas will have a higher risk for spread (e.g., band, choir, science labs, locker rooms). When engaging in these activities within the school setting, schools will need to consider additional physical distancing or conduct the activities outside (where feasible). Additionally, schools should consider sharing explicit risk statements for higher risk activities (see section 5f of the *Ready Schools, Safe Learners* guidance).

### 2a. ENROLLMENT

### 2b. ATTENDANCE

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li><input checked="" type="checkbox"/> <b>On-Site school students:</b> Full-time and part-time students follow normal reporting policy and procedures.</li> <li><input checked="" type="checkbox"/> <b>Full-Time Online and/or Hybrid school students:</b> Full-time students who are enrolled in school and taking online and/or hybrid courses only are reported on an FTE basis using a standard record (ADMProgTypCd = 01) as identified in the Oregon Cumulative Average Daily Membership (ADM) Manual. This is an existing policy previously used in the online setting. As such, there should not be any need to reprogram student information systems to accommodate for this change and the addition of the hybrid setting.               <ul style="list-style-type: none"> <li>● Note: Because the students in the online and/or hybrid setting do not regularly attend classes at the district facilities, the standard procedures for recording student days present and days absent cannot be effectively applied to those students. This will reduce accuracy of attendance data for the state while this is in effect.</li> <li>● For the purposes of section 2b of the <i>Ready Schools, Safe Learners</i> guidance, please use the following definition and clarification: <b>Online and/or Hybrid Check-in:</b> The responsibility of taking attendance must be performed by the teacher of record. "Check-ins" with appropriately licensed instructional staff are two-way communications between the student and the teacher. A check-in does not include a student leaving a message on an answering machine or sending an email that does not receive a response from the appropriately licensed instructional staff by the end of the next school day.</li> <li>● The student must check-in <b>at least</b> twice a week with their teacher(s) of record on <b>at least</b> two separate weekdays in order to be counted as present for all five days of that week.</li> <li>● If the student only checks in once during the week, the student must be counted as absent for half of the</li> </ul> </li> </ul>	<p>For students attending the hybrid model, twice a week check ins will prioritize two days of in person learning. Students not present for both days will be counted as present through at least one other method of two-way communication, including:</p> <ul style="list-style-type: none"> <li>● Live Google Classroom sessions</li> <li>● Assignment submission</li> <li>● Email communication</li> <li>● Phone communication</li> </ul> <p>For students in fully online learning, two-way communication on two of the 4 days of online learning may include:</p> <ul style="list-style-type: none"> <li>● Live Google Classroom sessions</li> <li>● Assignment submission</li> <li>● Email communication</li> <li>● Phone communication</li> </ul> <p>The designated attendance team will review individual and school-wide attendance data weekly.</p>

scheduled week (2.5 days, if there are 5 days scheduled in the week).

- The student must be counted as absent for the entire week (5 days, if there are 5 days scheduled in the week) if they do not report in at all during the week.
- Note: If a district schedule is based on a 4-day school week, the student would still need to check in twice a week as described above in order to be counted as present for the entire week (4 days) and once a week to be counted as present for half of the week (2 days).
- Days in attendance may not be claimed for days in which the student did not have access to appropriately licensed instructional staff. The purpose of the rule regarding checking in with the teacher of record is to assure that the teacher can evaluate whether the student is making adequate progress in the course and the student has additional guaranteed opportunities to engage with a teacher. The responsibility of taking attendance must be performed by the teacher of record, not another staff member (e.g., the registrar or school secretary).

☒ **Part-time students receiving online and/or hybrid instruction (not college courses):** Students who are not enrolled full-time and are taking online and/or hybrid courses offered by the school district or charter school are reported as large group instruction (program type 4), unless they are an ESD-registered homeschooled or private school student receiving supplemental coursework in public school, which are reported as shared time (program type 9). The district may count up to 1 hour per day per course taken, provided appropriately licensed teachers for the coursework taken, are available and accessible to the student during regular business hours on each school day to be claimed. Because this is online and/or hybrid instruction, attendance is based on check-ins with the student's appropriately licensed teacher(s) of record at least two times (on different days) during the school week.

### 2d. SCHOOL SPECIFIC FUNCTIONS/FACILITY FEATURES

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>☒ <b>Hand Washing:</b> All people on campus should be advised and encouraged to wash their hands frequently.</p> <p>☒ <b>Equipment:</b> Develop and use sanitizing protocols for all equipment used by more than one individual or purchase equipment for individual use.</p> <p>☒ <b>Events:</b> Cancel, modify, or postpone field trips, assemblies, athletic events, practices, special performances, school-wide parent meetings and other large gatherings to meet requirements for physical distancing.</p>	<ul style="list-style-type: none"> <li>● <b>Hand Washing:</b> All students will have access to hand washing prior to breakfast and lunch. Frequent opportunities for hand washing will be provided throughout the school day. ☒ **Transitions/Hallways:** Limit transitions to the extent possible. Create hallway procedures to promote physical distancing and minimize gatherings.

☒ **Personal Property:** Establish policies for personal property being brought to school (e.g., refillable water bottles, school supplies, headphones/earbuds, cell phones, books, instruments, etc.). If personal items are brought to school, they must be labeled prior to entering school and use should be limited to the item owner.

- All shared equipment will be cleaned between users.

● **Safety Drills:** Safety drills at the start of the school year will be scheduled for both cohorts of students to participate:

- September evacuation drill
- Lockdown drill
- Earthquake drill

Remaining drills will alternate monthly between cohorts.

Staff and students will follow distance requirements during exit of the building.

Re-entry to the building will be through an assigned entry point to reduce incidental contact.

● **Events:**

Off-site field trips and events requiring visitors or volunteers have been canceled.

In-school events will be modified to follow cohorting and social-distancing guidance.

Athletic events and practices are coordinated through Chehalem Parks and Recreation District. Use of the building by outside groups will not be allowed.

● **Transitions/Hallways:**

Hallways will include one-way traffic markings to reduce contact.

Transitions by grade-level cohort groups will be staggered to reduce contact.

Student cohorts will remain in the classroom with adult transitions when possible.

Cohort classrooms will be assigned by building area/level to allow access to a single bathroom, drinking fountain and hand washing station throughout the school day.

● **Classroom line up:**

Visual makers will be used around doorways and inside classrooms to support physical distancing during transitions.

● **Personal Property:**

Students will not use lockers to store personal property. All personal property brought to school will be carried by the student throughout the school day in their backpack/bag.

Personal property must be labeled with a student name and will only be used by the student.

● **Restrooms:**

Restrooms assigned based on cohort rooms.

Visual reminders will be used in all restrooms to encourage hygienic practices including:

- Handwashing techniques
- Covering coughs/sneezes
- Social distancing
- Facial coverings
- Covid-19 symptoms
